CONSERVATORY GARDEN

The Conservatory Garden at Radcliffe's is fully enclosed and equipped with private access, beverage bar, dance floor, and is fully heated and air-conditioned.

CAPACITY - Up to 150 guests seated or 250 guests cocktail style
ROOM HIRE - \$800

WHOLE VENUE

For larger weddings we offer use of our full venue – both the Conservatory Garden and Port 53 Restaurant. We open our large glass doors that separate the restaurant from the Conservatory and we can then seat up to 300 guests. This still leaves room for a large dance floor and use of our main bar for your guests.

CAPACITY - 150-300 guests seated or 400 guests cocktail style
VENUE HIRE - \$2200

CEREMONIES AT RADCLIFFE'S

Ceremonies may be held in either our front restaurant area or the Conservatory Garden, depending on availability, guest numbers, and set-up requirements.

There is a charge of \$600 for ceremonies held at Radcliffe's.

THE VINES

The Conservatory Garden has both evergreen vines and ornamental grape vines. The evergreen vines that surround the walls and canopies of the room are standard throughout the year, however the ornamental grape vines from the ceiling lose their foliage in autumn. The grape vines are trimmed in July and begin their new growth in September.

DECORATIONS

Radcliffe's has an extensive range of decorations available for hire including centrepieces, vases, candle holders, signs, wishing wells, chair covers, chair sashes, table runners, and much more.
